Haven't heard from him. I wouldn't make any backup plans as I expect him to check in at some point. You could have someone like bill rothenmeyer at the ready though.

Hey Laura, hope you're having a good weekend :) wondering-did you ever hear from Curtis on this? Just wondering if he's confirmed or whether we need to try to find someone else. I talked to turn and he's going to go.

Thanks, G

I'll be in touch as soon as I have deployment days (because of the Gold King Mine response and other response work these folks have been working, it may be Tuesday or Wed before they can get on the ground with FEMA).
